[redacted] Chicago, called to state that two radio hams in Cedar Rapids, Iowa, [redacted] allegedly monitored a broadcast from Radio Moscow on Sunday, 13 August, between 1915 and 2000 CST at 1400 megacycles. This broadcast was supposed to have transmitted congratulations [redacted] for allegedly refusing to send food to South Korea. Mr. Freeland requested that this be verified if possible. A negative response is being supplied him through [redacted]

[redacted] 25X1A
